Talk to the animals. Talk to Sonja

Sonja Grace is an extraordinary clairvoyant/healer who can help you access your pet's inner voice to learn what your best furry friend is really trying to tell you. Her extensive work with animals brings clarity to both client and pet allowing for understanding and healing.

Her abilities to communicate with cats, dogs, birds, horses, monkeys and more can help solve behavioral problems and physical ailments. Many clients also call upon her to reunite with lost pets and those that have crossed-over.

She's the bee's knees, the cat's meow and the horse's mouth all rolled into one. Visit her website to learn more and start talkin'.
