

Sonja Grace is of Norwegian descent and a comprehensive Spiritual Intuitive. After three decades of living through out the United States she has returned to her native roots in Oregon. She hails from classical ballet training that catapulted a rich professional career spanning a decade at the prestigious Oregon Shakespeare Festival. She directed her own ballet schools, choreographing numerous shows and touring her own company. She then returned to her life in the theatre playing the infamous Rosa the Gypsy on the Grand Canyon Railway, combining her theatrical skill with her life long gifts as a spiritual intuitive and clairvoyant.

Since early childhood, Sonja has found ways to bridge the gap between the arts and metaphysics. For over thirty years, Sonja Grace has been offering her clients, both in the United States and abroad, immediate stability, clarity, and guidance. Through her readings, counseling and processing work, Sonja has a wide variety of talent to choose from in which she accesses her ability to channel and communicate with the divine. She sees and receives messages from loved ones who have crossed over and offers a venue for healing in this world and the spirit world. Sonja Grace works in the healing realm helping clients to identify where the discomfort is both in physical, emotional and energy form. Sonja is able to execute all levels of her work from a distance and is primarily working with clients over the phone. Her ability to read past lives help clients to heal lifetimes of patterns.

In another area of expertise Sonja's extensive work with animals brings both client and pet to the forefront. She communicates with them for clarity and understanding for the owner and veterinarian. She has worked with a wide variety of pets both here and the spirit realm. Many people contact Sonja to simply get in touch with a pet or relative that has crossed over.

Her dynamic presentation in the venue *Sonja Grace in the Circle* brings together her command for the stage and her ability to channel the divine to large groups. This is a heart warming experience for all who see, hear and feel what Sonja Grace has to say!
